

SHAHABAS ABDUL HAMEED

Web Developer • Mern Stack Developer

Kasaragod, Kerala | +919746527459 | shahabassabbu12@gmail.com | [LinkedIn](#) | [Portfolio](#)

SUMMARY

Recent BCA graduate passionate about tech and coding. I love building real-world web applications and exploring the latest in software development. Comfortable working across the full stack, and always eager to learn, improve, and solve problems creatively. Looking forward to joining a team where I can grow and contribute meaningfully.

EDUCATION

Srinivas University, Mangalore, India

Bachelor of Computer Applications (B.C.A.) – Software Development & Web Designing

Jama'ath Chithari HSS, Chithari, Kanhangad

HSE/+2 (Mathematics, Physics, Biology, Chemistry)

SKILLS

- **Frontend:** HTML, CSS, JavaScript, React JS
- **Backend:** NodeJS, ExpressJS, MongoDB, PHP, MySQL, REST API's
- **Tools:** Git, Github, Postman, Docker, Linux
- **Soft Skills:** Problem Solving, Attention to Detail, Adaptability, Quick Learner

PROJECTS

Inventory Management System for FMCG Distributors

[Github](#)

Role: Backend Developer

Tech: NodeJS, ExpressJS, JWT, MongoDB, bcryptjs

- Designed and developed a secure REST API backend with an extensible architecture, enabling scalable management of customers, stocks, orders, and invoices through CRUD operations.
- Implemented JWT based authentication and route protection to ensure secure access to resources.
- Used libraries such as Mongoose, Day.js, express-rate-limiter, and CORS to enhance API efficiency.
- Collaborated with a frontend dev using Git for version control and faster, streamlined development.

DumbCLI – Custom Command Saver & CLI Productivity Tool

[Github](#)

Tech: Node.js, Yargs, Shell, JSON

- Developed a powerful CLI tool to save, edit, find, and execute terminal commands using IDs or aliases.
- Designed features like interactive adding, dynamic argument passing, and command search across comments, aliases, and content and included export/import functionality for backups and sharing.
- Currently extending the tool with plugin support (DPM), and cloud sync features (via MongoDB).

Plexaur – Study Material Sharing Website for Srinivas University

[Github](#)

Tech: PHP, PHP-Mailer, Bootstrap, JavaScript, JQuery, CodeMirror

- Developed and Designed a study material sharing website for college student and faculties.
- It has departments such as BCA and MCA and have all semester material including question banks.
- It support File upload, downloads, copy program contents, full screen, code highlighter, PDF viewer.
